Greenhill Living ... 2020 the year that was!

Greenhill Living has grown through the challenges of 2020 and thanks to the support of all the amazing educators who value the support we offer, we have been able to plant the seed in the minds of many more future farmers, gardeners and carers of our land!

Passionate about teaching solutions, Rebecca looks forward to continuing to grow in 2021 and appreciates the value you place on keeping outdoor learning environments living green spaces.

With the aim to support the community Rebecca has collaborated with Garden Centres SA to promote the

sharing of learning back to families and encourages communities to connect through growing green spaces. To see SA's best garden centres, a new story and colouring sheet, visit

<https://gardencentressa.com.au/gardening-for-kids/>

Thanks to Power Living Adelaide we were granted funding to be able to offer complementary access to the membership section for the remainder of 2020 of our website, so future planning into 2021 can occur. Use the coupon code "rippleeffect" in the shopping cart to gain access:

<https://greenhillliving.com.au/product/membership/>

Greenhill Living books are available for purchase online at:

<https://greenhillliving.com.au/the-books/>

Or for your other Christmas shopping needs purchase our books at our many stockists such as Ecolateral Stores, Harry Hartog Bookseller and more.

We have our timetable fully booked for 2021 and look forward to growing and supporting the community to value and care for a living environment, in turn supporting our health and wellbeing.

Stay safe and enjoy the break!
